ONL DUTY TEAM GUIDE TO ENTERING RESULTS ONLINE

All results will be entered by the duty team, ideally on the date the matches are played. This can be done court side, on any device with an internet connection.

NOTE: These steps are shown on an iphone screen but are the same whether you login in via a tablet or desktop computer.

Enter the login details

User: ONLduty Password:ONLnetba11

On the Admin Home screen select your current season.

All match dates from the last 14 days will show below.

Click on the date you are entering results for.

NOTE: If you click on Enter Results, you will see a list of ALL dates in the current season.

The date you selected should be displayed.

Go to the **Match Group** drop down menu and find the correct division.

Scroll down and you will now see a list of all matches that should have been played on the date, in your selected division.

Postponed matches

If matches were not played due to weather or other circumstances allowing a rescheduled game, change the status of that match from the dropdown menu to **Postponed**.

Your league administrators will reschedule the match.
